MASONIC CHILDREN’S HOSPITAL
WE INVITE YOU to become a sponsor of WineFest No. 25.2 – A Toast to Children’s Health, the most prestigious charity food and wine event in the Midwest. Celebrating its 25th year, WineFest—A Toast to Children’s Health has raised more than $17 million in support of children’s health research, education, and care at M Health Fairview Masonic Children’s Hospital.

As a sponsor of WineFest No. 25.2, you will have the unique opportunity to market your company to our affluent audience of corporate and community leaders, and children’s health supporters. Last year, nearly 1,800 guests enjoyed WineFest weekend activities, including sumptuous food and wine tastings, exclusive auctions, and exciting entertainment.

As our partner, you will be able to host your top clients and employees at the festivities, receive remarkable brand exposure and significant benefits, and align your organization with a worthy cause—improving the health and happiness of children everywhere.

THE FESTIVITIES

Join us for WINEFEST No. 25.2 — A TOAST TO CHILDREN’S HEALTH

**Wine Symposium and Grand Tasting**  
Friday, May 13, 2022

Begin the weekend at the Wine Symposium emceed by D’Lynn Proctor - star of Netflix documentary, Somm and proprietor of Fantasticas Estates and Winery along with select superstar Minnesota Sommeliers. This one of a kind panel discusses how to taste, smell, and experience notes of wine from a professional perspective. Draw a big circle on your calendar and then spread the word to friends—the Grand Tasting is one party you don’t want to miss. Take your pick of dozens of sample-sized entries from Twin Cities’ hottest restaurants, plus 400 distinctive wines from around the world. Rub elbows with our winemakers, bid generously on unique silent auction items, and learn a bit more about the amazing pediatric care offered at M Health Fairview Masonic Children’s Hospital. Finally, kick off your shoes for the Grape Stomp After-Party—once again sponsored by the Blythe Brenden-Mann Foundation with Rock With Us as the live band.

**Special Reserve Reception and Fine Wine Dinner**  
Saturday, May 14, 2022

Start this incredible evening with an exclusive tasting featuring select wines and the opportunity to socialize with WineFest sponsors, business and community leaders, and VIPs. After this private reception, patrons enjoy the Fine Wine Dinner, which begins with a sparkling reception and silent auction. Dinner features a multi-course gourmet menu with premier wine pairings from Honorary Winemasters, a live auction, and dancing. Approximately 700 guests—leaders of the Twin Cities corporate and philanthropic community—attend the evening’s festivities. They are gourmet food connoisseurs, fine wine lovers, and world travelers.

THE CAUSE

**WineFest No. 25.2 — A Toast to Children’s Health supports the internationally renowned University of Minnesota Department of Pediatrics and M Health Fairview Masonic Children’s Hospital where physician-researchers develop and deliver innovative treatments and cures for childhood diseases.**

**Specifically, WineFest proceeds provide:**

- Financial support for breakthrough pediatric research
- Seed funding to launch the research careers of promising investigators
- Money to purchase vital research equipment

**Our physician-scientists and pediatric specialists are global leaders in children’s health research, education, and care. We accelerate breakthrough discoveries to treat and cure childhood disease:**

**M Health Fairview Masonic Children’s Hospital ranks among the best in the country in many specialty areas according to U.S. News & World Report.**

**The University of Minnesota Department of Pediatrics consistently ranks in the top ten in securing funding from the National Institutes of Health (NIH).**

**M Health Fairview Masonic Children’s Hospital, the oldest children’s hospital in the state, not only delivers the latest innovations in pediatric medicine, we also create them:**

- We are home to a number of pioneering “firsts,” including:
  - the world’s first open-heart surgery in a child, pediatric bone marrow transplant, and kidney biopsy in children
  - the first bone marrow and cord-blood transplant to treat a devastating—usually fatal—skin disease
  - a trailblazing technique for transplanting kidneys in infants
  - the invention of a lung-clearing vest for children with cystic fibrosis
  - the development of a vaccine for Lyme Disease
